

Hot Air Balloon Engagement Photography

The \$150.00 photography session includes you and your fiancée setting up the hot air balloon, the launch, the landing and your champagne toast. There is a portrait session after the balloon lands and after the champagne toast.

This is a great opportunity to use these images for your save the date cards !!!!! Of course your popping the question is a secret. My presence there can be best explained by "the hot air balloon package includes photography".

Your images will be hosted on my site for one year and available for download in high resolution. Also included is a release for you to print your images. You will be able to share your gallery with all of your friends and family.

Also provided is an app for your iPhone or Android device. This app can be shared with your friends and family. The app contains 30 to 40 images from your hot air balloon experience. Your app will be available the day after the balloon ride.
